Tom:

I am responding to a letter received by our company pertaining to our potential liability in the Clayton Chemical Site. It is our intention to join the Dickinson Wright group as a party of the 10,000 to 25,000 gallons party. All necessary documentation regarding this matter, including payment has been forwarded to Allison R. Bach at Dickinson Wright. Please let me know if any additional information is needed to complete your request of response.

Sincerely,

Michael V Meyers
